

Jesus Cadena

Chief Safety Officer, BZI

As the company's Chief Safety Officer, Jesus Cadena has created policies and procedures at BZI that minimize risk and ensure the safety of the company's team members. He is responsible for enforcing policies and procedures, overseeing all safety protocols, developing improved safety training, and analyzing what actions need to occur when incidents happen. Before he was appointed CSO, he was a Regional Safety Coordinator and a Safety Representative, and has recently joined BZI's SteelTech Academy - a unique two-week safety and construction training and continuing education program that has issued more than 4,800 certifications since 2019.
