**If you (and/or your dependents) have Medicare or will become eligible for Medicare in the next 12 months, a Federal law gives you more choices about your prescription drug coverage. Please see page number(s) 20-21 where Notice of Creditable Coverage for more details.**

This document is an outline of the coverage provided under your employer's benefit plans based on information provided by your company. It does not include all the terms, coverage, exclusions, limitations, and conditions contained in the official Plan Document, applicable insurance policies and contracts (collectively, the "plan documents"). The plan documents themselves must be read for those details. The intent of this document is to provide you with general information about your employer's benefit plans. It does not necessarily address all the specific issues which may be applicable to you. It should not be construed as, nor is it intended to provide, legal advice. To the extent that any of the information contained in this document is inconsistent with the plan documents, the provisions set forth in the plan documents will govern in all cases. If you wish to review the plan documents or you have questions regarding specific issues or plan provisions, you should contact your Human Resources/Benefits Department.

## Important Items to Remember

### NEW HIRE WAITING PERIOD

New employees are eligible for company insurance benefits on the first of the month following 60 days of continuous full-time employment.

### TERMINATION OF BENEFITS

When your employment with the company is terminated, your benefits will stop on the last day of that month.

### ELIGIBLE EMPLOYEES

To be eligible for company benefits you must be a full-time employee working an average of 30 hours per week during the year.

### DEPENDENT CHILDREN

Children under the age of 26 are eligible to be covered under the benefits. They will be taken off the plan at the end of the month in which they turn 26.

### WHO IS A DEPENDENT?

A dependent is a person who is eligible to be added to a policyholder's health insurance coverage. You may be asked to provide supporting documentation.

A dependent may be;

- Spouse
- Domestic partner (must submit certification)
- Child(ren), biological, adopted, domestic partners children, and stepchildren.
- Other dependents in special circumstances;
  - Grandchild, Foster child, siblings for whom you are a legal guardian (must provide documentation signed by a judge)
  - Adult child (over the age of 26) with a disability

### OPEN ENROLLMENT

You can make changes to your plans (enroll in coverage, waive coverage, add/drop dependents, etc..) during this time period each year. Open enrollment will be held annually before the start of the new plan year. All changes made during this time period will take effect on the renewal date.

### MAKING PLAN CHANGES DURING THE YEAR

If you have a major life event (getting married, having a child, getting divorced, losing coverage, becoming eligible for Medicare, etc.) during the year, you may be able to make changes to your plan even though it's outside of the Open Enrollment window. Please turn in all paperwork within 30 days of your Qualifying Event to ensure it is processed timely and any claims incurred will be paid. PLEASE NOTE: If adding a newborn baby to your plan, the baby's social security number will not be available right away. Please submit the paperwork without it and provide once available.

### SPECIAL ENROLLMENT NOTICE

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage. However, you must request enrollment within 30 days after your or your dependents' other coverage ends.

### COBRA

PLEASE NOTE: In the event your employment is terminated with the company, you will receive a packet in the mail giving you the opportunity to continue your Medical, Dental and Vision benefits for up to 18 months. This is called COBRA coverage. Your employer DOES NOT contribute to this coverage as they may when you are employed with them. You will be responsible for 102% of the actual cost of the insurance if you wish to continue with it.

### STAY IN NETWORK

To obtain the best benefits, it's important to stay in the insurance carrier's network. Always check online or verify over the phone that a doctor or hospital is in network BEFORE your visit. Also, when having a procedure done in a hospital/facility, ask the hospital staff to make sure EVERY doctor/nurse/radiologist/anesthesiologist/etc. is in your network.

### EXPLANATION OF BENEFITS

Commonly referred to as an "EOB". The EOB is an extremely useful document as it explains how the insurance carrier processed your claim. It shows the billed charges from the provider, the network discount applied, and what the resulting Negotiated Rate is. (Provider Charge - Network Discount = Negotiated Rate) It also shows whether the service was applied to your deductible or paid as a co-pay. It is not a bill, but merely an explanation of how the insurance carrier paid your claim.

### MEDICARE PART D

If you have Medicare or will become eligible for Medicare in the next 12 months, it is important to understand your rights and penalties about your prescription drug coverage before electing an employer plan. Please see Human Resources for more information.

### NEED A NEW ID CARD, REQUEST DETAILED PLAN SUMMARY, OR QUESTIONS ABOUT A CLAIM?

You can register for the insurance carrier's website where you can print out temporary ID cards and order new cards, or call the carrier at the numbers listed in the guide. Please have copies of your EOBs along with a copy of your bills ready for questions about claims. The complete Summary of Benefits is available online or printed/digitally by contacting your HR/Benefits department.

## You don't need a Ph.D. to understand your benefits

We've made it easy to find the top things people want to know. Select **Coverage and benefits** from the blue secondary navigation to find out:

- What health care services are covered?
- What's the cost difference between an in-network and out-of-network service?
- What's your deductible, and are you close to reaching it?
- Is there a copayment for your office visit? If so, how much?

## Buried in paperwork?

### A single click lets you track all your claims

With the **Claims** menu option, check in at your convenience to see if a claim has been processed and what you might owe. To get more details on a specific claim, select the **Claim #** or the **EOB** link on the same row as the claim. This will tell you the type of services provided, the amount billed and the amount paid, if any, and whether there's any action that needs to be taken before the claim can be processed.

You can choose to receive a secure email any time you have a new EOB. If you're not ready to give up paper completely, you can print out copies from the **Claims** dashboard.

## Don't be surprised by unexpected costs

Under the **Find costs and care** menu option, you can find in-network doctors near you and get a better idea of what you'll pay with the **Health cost estimator** tool.

# Health Savings Account

## WHAT IS A HEALTH SAVINGS ACCOUNT (HSA)?

A health savings account is a tax-advantaged savings account owned by an individual that can be used to pay for qualified medical expenses for the owner and their dependents. An HSA, which must be paired with a qualified High Deductible Health Plan, allows you and your employees to make pre-tax contributions to a federally-insured account that can be used to pay for qualified medical expenses.

By selecting an HSA-qualified plan, you are eligible to contribute tax-free money up to the amount listed in the graph below into an HSA. Your HSA funds can then be used tax-free to pay for qualified medical expenses. In addition, BZI will match your annual Health Saving Account contributions as shown in the graph below.

| 2026 CONTRIBUTIONS | IRS MAXIMUM LIMIT | EMPLOYEE ANNUAL MAX | EMPLOYER ANNUAL MAX MATCH |
|--------------------|-------------------|---------------------|---------------------------|
| Single             | \$4,400           | \$2,200             | \$2,200                   |
| Two Party          | \$8,750           | \$4,375             | \$4,375                   |
| Family             | \$8,750           | \$4,375             | \$4,375                   |

## WHO IS ELIGIBLE FOR A HEALTH SAVINGS ACCOUNT?

- » Covered by a Qualified High Deductible Health Plan (QHDHP);
- » Not covered under another medical plan;
- » Not enrolled in Medicare A or Medicare B benefits; and, Not eligible to be claimed on another person's tax return.

## WHAT ARE THE ADVANTAGES OF A HEALTH SAVINGS ACCOUNT?

- » HSA Funds belong to the employee. Any money deposited into an HSA account, including any contributions made by an employer, is owned by you.
- » HSAs have a triple tax benefit.
  1. When you contribute to an HSA, your contributions reduce your taxable income, meaning you pay less in taxes.
  2. Any money that you put into an HSA earns tax free interest.
  3. You never pay taxes on withdrawals that are used to pay for qualified medical expenses.
- » HSAs are great for retirement savings. After age 65 employees can spend HSA money on non-medical items without paying a penalty. Non-medical withdrawals after age 65 are taxed as income just like withdrawals from a 401(K) or IRA.
- » Use your HSA for Qualified Expenses: acupuncture, medical supplies, birth control, physical exams, chiropractic, prescriptions, contact lenses, orthodontia, dental treatment, radiology, prescription eyeglasses, stop cessation programs, fertility enhancement, surgery (non-cosmetic), hearing aids, therapy, lab work.

Your HSA is your money and you determine how it's spent for healthcare. Whatever you do not spend in a given year rolls over to the next year. If you change jobs or retire, the money goes with you.

## 2026 Annual Enrollment Notices & Disclosures

### PATIENT PROTECTIONS DISCLOSURE

The BZI Health plan generally allows the designation of a primary care provider. You have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members. Until you make this designation, UMR designates one for you. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact the UMR at **800.826.9781** or Member public home ([umr.com](http://umr.com)).

For children, you may designate a pediatrician as the primary care provider.

You do not need prior authorization from UMR or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact the UMR at **800.826.9781** or Member public home ([umr.com](http://umr.com)).

### WOMEN'S HEALTH & CANCER RIGHTS ACT

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 ("WHCRA"). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under the plan. Therefore, the following deductibles and coinsurance apply:

\$4,000 HSA (Individual: 0% coinsurance and \$4,000 deductible; Family: 0% coinsurance and \$8,000 deductible)

If you would like more information on WHCRA benefits, please call your Plan Administrator at **435-592-6475** or [LoriAnnBarnson@bzi.com](mailto:LoriAnnBarnson@bzi.com).

### NEWBORNS' AND MOTHERS' HEALTH PROTECTION ACT

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

## PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2025. Contact your State for more information on eligibility –

## NOTICE OF CREDITABLE COVERAGE

**IMPORTANT NOTICE FROM BZI  
ABOUT YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE**

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with BZI and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. BZI has determined that the prescription drug coverage offered by the medical plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

**WHEN CAN YOU JOIN A MEDICARE DRUG PLAN?**

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15 to December 7.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

**WHAT HAPPENS TO YOUR CURRENT COVERAGE IF YOU DECIDE TO JOIN A MEDICARE DRUG PLAN?**

If you decide to join a Medicare drug plan, your current BZI coverage may be affected.

If you do decide to join a Medicare drug plan and drop your current BZI coverage, be aware that you and your dependents will be able to get this coverage back.

**WHEN WILL YOU PAY A HIGHER PREMIUM (PENALTY) TO JOIN A MEDICARE DRUG PLAN?**

You should also know that if you drop or lose your current coverage with BZI and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

## HIPAA SPECIAL ENROLLMENT RIGHTS

### **BZI Health Plan Notice of Your HIPAA Special Enrollment Rights**

Our records show that you are eligible to participate in the BHI Health Plan (to actually participate, you must complete an enrollment form and may be required to pay part of the premium through payroll deduction).

A federal law called HIPAA requires that we notify you about an important provision in the plan – your right to enroll in the plan under its “special enrollment provision” if you acquire a new dependent, or if you decline coverage under this plan for yourself or an eligible dependent while other coverage is in effect and later lose that other coverage for certain qualifying reasons.

**Loss of Other Coverage (Excluding Medicaid or a State Children’s Health Insurance Program).** If you decline enrollment for yourself or for an eligible dependent (including your spouse) while other health insurance or group health plan coverage is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents’ other coverage). However, you must request enrollment within 30 days after your or your dependents’ other coverage ends (or after the employer stops contributing toward the other coverage).

**Loss of Coverage for Medicaid or a State Children’s Health Insurance Program.** If you decline enrollment for yourself or for an eligible dependent (including your spouse) while Medicaid coverage or coverage under a state children’s health insurance program is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage. However, you must request enrollment within 60 days after your or your dependents’ coverage ends under Medicaid or a state children’s health insurance program.

**New Dependent by Marriage, Birth, Adoption, or Placement for Adoption.** If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your new dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

**Eligibility for Premium Assistance Under Medicaid or a State Children’s Health Insurance Program.** If you or your dependents (including your spouse) become eligible for a state premium assistance subsidy from Medicaid or through a state children’s health insurance program with respect to coverage under this plan, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 60 days after your or your dependents’ determination of eligibility for such assistance.

To request special enrollment or to obtain more information about the plan’s special enrollment provisions, contact Lori Ann Barnson - HR Programs Administrator at 435-592-6475 or [LoriAnnBarnson@bzi.com](mailto:LoriAnnBarnson@bzi.com).

### **IMPORTANT WARNING**

If you decline enrollment for yourself or for an eligible dependent, you must complete our form to decline coverage. On the form, you are required to state that coverage under another group health plan or other health insurance coverage (including Medicaid or a state children’s health insurance program) is the reason for declining enrollment, and you are asked to identify that coverage. If you do not complete the form, you and your dependents will not be entitled to special enrollment rights upon a loss of other coverage as described above, but you will still have special enrollment rights when you have a new dependent by marriage, birth, adoption, or placement for adoption, or by virtue of gaining eligibility for a state premium assistance subsidy from Medicaid or through a state children’s health insurance program with respect to coverage under this plan, as described above. If you do not gain special enrollment rights upon a loss of other coverage, you cannot enroll yourself or your dependents in the plan at any time other than the plan’s annual open enrollment period, unless special enrollment rights apply because of a new dependent by marriage, birth, adoption, or placement for adoption, or by virtue of gaining eligibility for a state premium assistance subsidy from Medicaid or through a state children’s health insurance program with respect to coverage under this plan.
